There are plenty of bicycle rails outside the centre.

Eugenia Road is same road as Concorde Way when coming via Oldfield Grove from Rotherhithe New Road

VOTING AT THE EVELYN ASSEMBLY: IMPORTANT INFORMATION

There will be a marketplace event from **12.00 noon to 12.45pm**. The organisations bidding for a share of the Assembly Fund money will each have a stall. The amount available is **£12,500**.

You will be given a voting card and a summary of the proposals.

We would then like you to visit every stall to find out more about each proposal before you vote.

The projects address three of the key priorities identified by Evelyn residents and are listed in three categories.

Category A *Young People*
Category B *Children & families*
Category C *Community cohesion*

You have five votes and you must pick at least one project from each category. The remaining two votes can be from any of the categories.

Any cards that do not have five votes cannot be counted.

The projects that have the most votes in each category will be fully funded.

The project(s) that receive the next highest number of vote will be funded until the £12,500 has been allocated.

Please arrive no later than 12.15pm if you wish to vote so you have enough time to visit all of the stalls. The marketplace will close at 12.45pm.

To be able to vote you must be aged 14 or over and live, work or learn in Evelyn ward.

Please note: No votes will be accepted at 12.45pm. The results will be announced at the end of the meeting.

THE PROJECTS

Category A: Young People

BelEve UK

Community Ambassador Project

The project will train young woman to become peer mentors and community ambassadors, helping them build bridges between their peers and others in the community. The aim is to prevent anti-social behaviour, reduce crime and improve relationships between young people and other people in Lewisham.

**Inspiring Your Imagination
with Riverside Youth Club**

Healthy Lewisham TV | Series 3

The healthylewishamtv.co.uk website is designed to encourage Lewisham residents to live healthier lifestyles. At the same time it encourages them to get them online, become more familiar and confident using the internet.

The project also enables young people to gain valuable skills in video production and post-production, and to achieve an accreditation in Filmmaking, which adds great value to their CV.

ARLA Partnership with Riverside Youth Club Roller skating

We will run a roller skating course where we will promote roller skating as a healthy activity and promote roller skating safely. We will then host roller skating discos. These will be themed and put on during the spring for the community so that they can enjoy and experience the joys and advantages that roller skating has to offer.

Sports Fun For All Football Project

The EFP is a social inclusion programme for YP aged 8 - 16. The project is a positive diversionary activity for the YP in the local and surrounding areas using football as the tool to engage them. It will run for 10 weeks and deliver a total of 20 hours of football activity from the MUGA next to Evelyn Community Centre.

Category B: Children & families

Carers Lewisham

Lewisham Young Carers Honey Pot Adventure

This funding will be used to take a group of 12 local young carers aged 5-11 years old for 4 days (3 nights) during May half-term to the Honeypot House in Hampshire.

It will provide an opportunity to support young carers their transition from infants and juniors, and look at some of the challenges and work through them in a fun and positive way with the support from staff.

The Lenox Project Schools Outreach with SMASHfestUK, Riverside Youth Club & local schools

This project will result in the development and delivery of a schools outreach programme which will engage young people in Deptford with the maritime heritage of Deptford's former Royal Dockyard, through a range of fun activities from sea shanties to hammock building.

The Lenox Project Schools Programme will involve recruitment of a team of young explainers (16-18) from secondary schools in the wider Deptford area and training them up to deliver and facilitate primary school outreach events for KS1 and KS2 students (5-11) in Evelyn Ward.

Evelyn Parents Play Club with Clyde Early Years' Service & Deptford Folk

The project will provide access to a clean, safe, play environment and peer-to-peer family support as well as sign-posting families to additional services where they may benefit.

Daily activities include Soft Play, Song time, Baby Club, Messy Play and Music & Movement, Sensory Room and healthy lunch provision for children visiting the club.

There is also access to a family Support Worker once a week at Baby Club.

Category C: Community cohesion

Age Exchange & Deptford Mission Life Lines

6 reminiscence sessions. Age Exchange's way of working with reminiscence is from on a person centred approach the aim is to value people's personal stories and memories. Hopefully sharing these stories help build respect and relationships in the group.

We will also run half day training for staff in how to use reminiscence activities within the work of the centre.

2000 Community Action Centre Getting to Know You

We want to put on three social and information events at 2000 Community Action Centre. Each event will be themed and provide an opportunity for people in the ward to gather and enjoy themselves sharing food and conversation with neighbours. At the same time there will a range of local service providers and groups promoting the opportunities and services they provide, increasing access to services, and opportunities to get involved.

FORVIL One Stop Shop in partnership with GPs, housing & advice providers

We want to provide one stop shop service for our users who live in the Lewisham borough. We will provide exercise and benefit advice. With the emergence of universal credit user's with English as their second language will be at risk of homelessness and greater poverty due to not understanding the new benefits and housing reform advice.

We will also offer a low cost healthy eating luncheon service with translation for those who need signposting advice.
